On behalf of the Georgia ABLÉ Program Corporation, we would like to cordially invite you to a STABLE presentation to be given by the Deputy Director of the national STABLE program. The presentation will be on Thursday, August 29, 2019, from 2:00-3:30 p.m. at the Department of Community Health, 2 Peachtree Street, NW, 5<sup>th</sup> Floor Board Room, Atlanta, GA 30303.

As a professional working with those with disabilities in our great state, we know that your goal is to do everything in your power to improve the lives and long-term stability of those whom you serve. As you may know, the Georgia STABLE program enables individuals with disabilities to dramatically increase the ability to save and invest without losing eligibility for certain public benefit programs. We hope you will strongly consider attending this event or sending a representative so that we might better partner with you and spread the word about this excellent savings resource. It is our desire to increase awareness of the program and expand enrollment statewide.

Please let us know by Monday, August 26, 2019, if your agency or organization will be present for this presentation and, if so, the names of those who will be in attendance. You may send your response to [kim.asher@treasury.ga.gov](mailto:kim.asher@treasury.ga.gov) or [jennifer.richards@treasury.ga.gov](mailto:jennifer.richards@treasury.ga.gov).

We are also holding an event featuring a similar presentation targeted to those with disabilities, their families, and their caregivers on the evening of Thursday, August 29, 2019. This meeting will be held from 7:00-8:30 p.m. at the Loudermilk Conference Center, 40 Courtland Street, NE, Atlanta, GA 30303 (<https://loudermilkcenter.com/>). If you are available, please feel free to join us for this event and spread this invitation through your networks.

Thank you for your efforts on behalf of Georgians with disabilities. We are honored to come alongside you and be as much of a resource as possible, and we look forward to strengthening the future of our Georgia residents with disabilities with your help.

Sincerely,

Frank Berry, Chairman  
Georgia ABLÉ Program Corporation

Judy Fitzgerald, Vice-Chairman
